# LabConnection® Help

Lab Navigation

During the course of navigating in LabConnection, various toolbar buttons are enabled or disabled (grayed out) depending upon context:

Skip This Step – Skips to the next sequential step in the lab. *Warning*: using this function will mark you as incomplete for the lab.

Show Me – Depending upon context, displays the correct answer to the immediate task in the form of a video, an image, or text.

Reset – Resets the positions of drag-and-drop and list-and-reorder exercises to their initial state.

Replay - Replays the instruction audio for a lab step.

Help or "?" – Takes you to the help feature.

Quiz Navigation

Previous – Moves you back one or more steps depending upon context.

Next – Moves you to the next sequential step depending upon context.
